

Lucky Tex Health & Safety Policy

Lucky Tex is aware of its social responsibilities and have a vision of becoming a manufacturing partner of Global brands as the Home Textile Industry:

We follow H&S mechanism by which top management has commitment to:

- Continue follow and comply with the legal obligations and customer's CoC for maintaining safe and healthy working conditions.
- To provide adequate control of the health and safety risks so identified.
- Prevent occupational injuries and illness by consulting with employees on matters affecting their Health & Safety.
- To ensure the safe handling and use of substances.
- Conduct training programs in order to increase employee awareness on occupational health and safety.
- To actively manage and supervise health and safety at work.
- Implement health, safety and environment practices according to International Management system standards.
- To provide the resources required for making Health and Safety arrangement effective.
- Review and revision of this policy annually

Lucky Tex is committed to the effective management of Health and Safety throughout all its areas of operation by implementing programs for continuous improvement and monitoring at management level.
